To whom it may concern:

The Alabama State Board of Medical Examiners has had the pleasure of working with Mr. Carl Martin, who provided extensive technical computer services to the agency. Mr. Martin upgraded all of the desktop and laptop computers and set up a stable, effective network, mostly "from the ground up." Mr. Martin continues to be retained by the Board of Medical Examiners for consulting services as needed.

We have been more than pleased with the quality of Mr. Martin's services, his availability, and his relaxed personality. I wholeheartedly recommend him for satisfying your computer service needs.

Sincerely,

ALABAMA BOARD OF MEDICAL EXAMINERS

Larry D. Dixon
Executive Director
